

WE6 For lovers of classics

Wherever customers, staff and visitors can enjoy superlative coffee, the atmosphere is relaxed, communicative and productive. Coffee frees the mind and stimulates creativity. It follows that no workplace should be without it. The new WE6 expertly prepares the full range of coffee classics from ristretto and espresso to café crème. A water tank with a 3-litre holding capacity, a bean container for 500 grams of coffee beans and a coffee grounds container with a capacity of 25 portions make the elegant professional coffee machine the ideal solution for locations where around 30 speciality coffees are consumed per day. Innovative technologies revolutionise the enjoyment of coffee. Buttons on the front of the machine and a modern TFT display make operation incredibly simple even for inexperienced users.

Benefits

- Pulse Extraction Process (P.E.P.®) optimises extraction time to guarantee professional quality, barista-style coffee
- The Intelligent Water System (I.W.S.®) automatically detects the filter while the CLARIS Smart and CLARIS Pro Smart ensure perfect water quality
- Buttons on the front of the machine and a modern TFT display make operation incredibly simple even for inexperienced users
- Eight classic specialities can be prepared with ease at the touch of a button

Recommended accessories

- Cup warmer
- Smart Compact Payment Box
- Coffee to Go equipment
